PUBLIC TALK: The Divine Feminine in Action

19th October, 5.30pm / \$20

Buddhist Library, 90 Church Street, Camperdown

In Eastern traditions, especially Buddhism, the feminine essence lives at the heart of everything. Subtle, mystifying, intriguing, nurturing and pervasive, the divine feminine is dynamic and actually beyond gender. This modern world is fast-paced, materialistic and competitive which causes fixation, stress and exhaustion. Feminine aspects such as flexibility, flow and spontaneity need to be reactivated by both men and women so we may learn to live within this ever-flowing wisdom.

A beautiful sacred mandala with flowers and candlelight is created. You participate, make a monetary offering and dedicate this ceremony for yourself and/or others and so make an auspicious karmic connection with them to the unfolding beauty of wisdom and compassion.
